

# CGEE 2024

Izmir, Turkey

August 24-26, 2024

CGEE 2025

August 23-25, 2025 | Zagreb, Croatia

## Brief Introduction

The 2024 5th International Conference on Clean and Green Energy Engineering aims to bring together researchers, practitioners, and professionals from the industry, academia, and government to discuss the latest research and development, as well as professional practices in the field of clean and green energy engineering. The conference will be held in Izmir, Turkey from August 24-26, 2024, and will provide a forum for participants to share their original and high-quality contributions related to clean and green energy engineering, including theories, methodologies, and applications.

Hosted by the University of Zagreb and co-sponsored by the South Asia Institute of Science and Engineering, with patrons from Middle East Technical University and Kadir Has University, the conference is technically supported by the University of Brest, Zhejiang University and Aalborg University. The conference will play an important role in advancing the understanding of clean and green energy engineering, promoting interdisciplinary collaboration, and addressing the challenges associated with transitioning to sustainable and clean energy sources.

Université de Bretagne Occidentale

## Paper Publication

Submissions will be peer reviewed by the conference technical committees and international reviewers. Accepted and presented papers at the conference will be published in the proceedings of CGEE 2024, which will be sent to **El Compindex**, **Scopus** for indexing.

### Publication History

CGEE 2023 Conference Proceedings was available in IEEE Xplore, to be indexed by **El Compindex**, and **Scopus**.

CGEE 2022 Conference Proceedings was available in IEEE Xplore, indexed by **El Compindex**, and **Scopus**.

## Important Dates

Submission Deadline	Before March 25, 2024
Notification	Before April 25, 2024
Registration Deadline	Before May 15, 2024
Conference Dates	August 24-26, 2024

## Submission Method

Online Submission System:  
<https://cmt3.research.microsoft.com/CGEE2024>

☆ If you encounter any issues with your submission, please contact the conference email.

## Call for paper

Topics of interest for submission include, but are not limited to:

### 1. Clean and Renewable Energy Technologies

Clean Energy Systems and Technologies  
Solar Energy Engineering  
Biomass Energy Engineering  
Wind Energy Engineering  
Hydrogen and Fuel Cell  
Nuclear Energy Engineering  
Geothermal Energy  
Ocean Energy  
Photovoltaic Systems and Solar Thermal Energy  
Smart Grid

### 2. Energy Storage and Saving Technologies

Energy Materials  
Storage Technology  
Energy-saving Technology  
Energy Chemical Engineering  
Energy-efficient Lighting Products and Technologies  
Gasification  
Green Energy Systems  
Green Power Production and Cogeneration  
CO2 Capture, Storage, and Utilization  
Exergetic and Exergoeconomic Analyses  
New Energy Applications  
Energy Security and Clean Use

## Delegate (without submission) Registration
